## INTRODUCTION :

Trade Hub is a leading provider of specialized services across multiple sectors, including Oil & Gas, Electrical Solutions, Construction, Heavy Equipment Services, and Manpower Services.

With a commitment to innovation and quality, we strive to meet the diverse needs of our clients while adhering to the highest industry standards.

## MISSION STATEMENT :

Our mission is to deliver exceptional services that empower our clients to achieve their goals.

We aim to provide innovative solutions, maintain the highest safety standards, and foster sustainable practices in all our operations.

## VISION :

Our vision is to be a global leader in service provision, recognized for our dedication to quality, reliability, and customer satisfaction.

We aspire to set new benchmarks in the industries we serve, continually evolving to meet the changing needs of our clients and the market.

## CORE VALUES :

**Integrity:** We maintain high ethical standards, ensuring transparency and honesty with clients and partners.

**Excellence:** We are dedicated to superior quality and performance in every project.

**Safety:** The safety of our employees and clients is our top priority, and we strive for a secure working environment.

**Innovation:** We embrace change and seek innovative solutions to enhance our services.

**Collaboration:** We value teamwork and build strong relationships with clients and partners for mutual success.

# SERVICES OFFERED

- Pipeline Upgrade, Road Upgrade, Drilling of Water Wells, NDT Services, and Maintenance

# SERVICES OFFERED

## 2. ELECTRICAL SOLUTIONS :

Trade Hub provides a wide array of electrical solutions, designed to enhance safety, efficiency, and sustainability in various environments.

Our services are tailored to meet the unique needs of residential, commercial, and industrial clients. Below is a detailed overview of our key offerings:

### ● Wiring, Rewiring & Pane Upgrades:

We provide expert wiring and rewiring services for residential, commercial, and industrial properties. Our team ensures that electrical systems are safe, efficient, and compliant with current regulations. Additionally, we handle panel upgrades to enhance system capacity and performance.

## ● Lighting Installation & Automation:

Our lighting solutions encompass installation of energy-efficient lighting systems and advanced automation technologies.

We help design and implement customized lighting plans that improve aesthetics, functionality, and energy efficiency.

## ● Solar Power Systems & Renewable Energy Solutions:

We specialize in solar power systems, offering design, installation, and maintenance services.

Our renewable energy solutions help clients reduce their carbon footprint and energy costs while promoting sustainability.

## ● Power Distribution & Backup Systems:

Trade Hub provides reliable power distribution services to ensure efficient energy flow throughout properties.

We also offer backup systems, such as generators and uninterruptible power supplies (UPS), to ensure continuous operation during power outages.

## ● Electrical Inspections & Maintenance:

Our team conducts thorough electrical inspections to identify potential issues and ensure compliance with safety standards.

We also offer ongoing maintenance services to keep electrical systems in optimal condition, preventing costly downtime and enhancing safety.

With our expertise in electrical solutions, Trade Hub is committed to delivering safe, efficient, and innovative electrical services tailored to the unique needs of our clients.

# SERVICES OFFERED

## 4. HEAVY EQUIPMENT SERVICES :

At Trade Hub, our heavy equipment services cater to the diverse needs of construction, oil and gas, and industrial projects.

We offer comprehensive solutions, including equipment rental, maintenance, and repair, ensuring clients have reliable machinery when they need it.

### Services Offered :

#### ● Equipment Rental

Flexible rental options for heavy equipment enable clients to access top-quality machinery without ownership hassles.

#### ● Maintenance Services

Comprehensive maintenance, including inspections and repairs, performed by skilled technicians to ensure equipment efficiency and longevity.

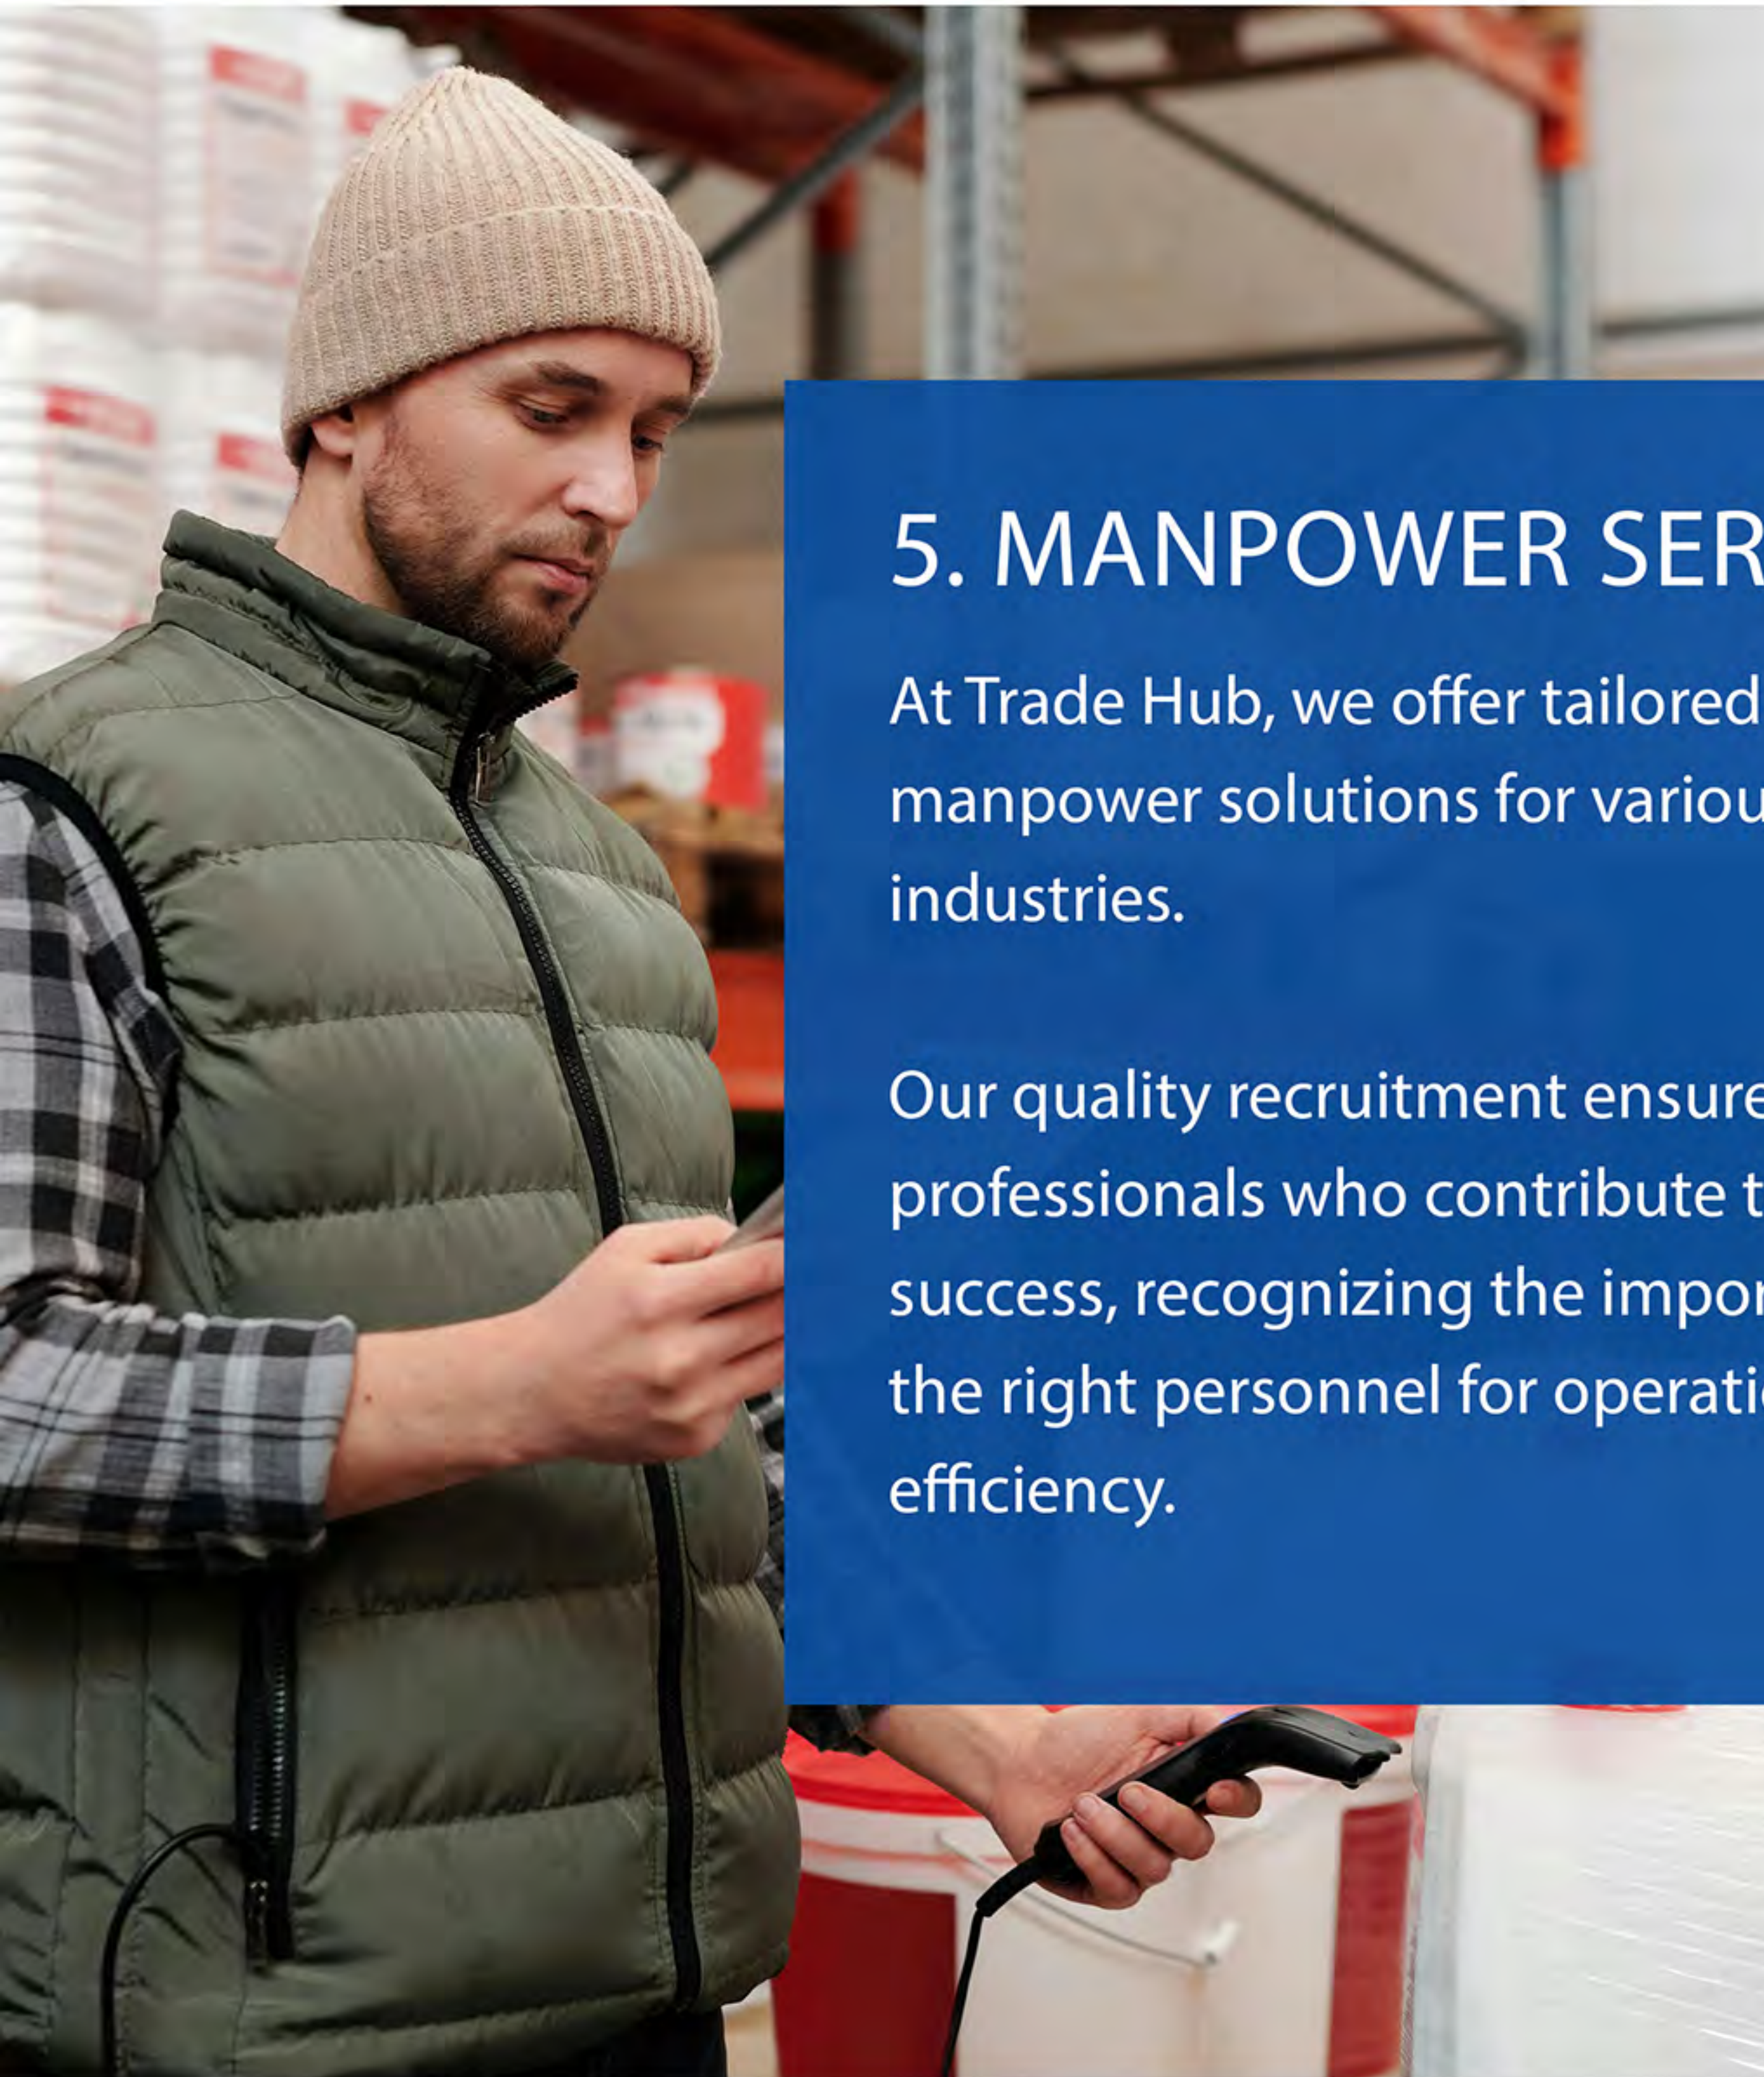

#### ● Repair Services

Quick and effective repairs for equipment failures, minimizing disruptions and getting clients back to work promptly.

# SERVICES OFFERED

## 5. MANPOWER SERVICES :

At Trade Hub, we offer tailored skilled manpower solutions for various industries.

Our quality recruitment ensures qualified professionals who contribute to project success, recognizing the importance of the right personnel for operational efficiency.

## Overview :

Our manpower services cover various sectors, including construction, hospitality, maintenance, and facility management. We adopt a strategic recruitment approach, focusing on clients' specific needs and required skill sets.

Our rigorous selection process includes assessments, interviews, and background checks to ensure we provide capable and reliable professionals.

## Services Offered :

### 1. Security Services :

- **On-Site Personnel:** Trained guards for monitoring and access control.
- **Surveillance:** CCTV and remote monitoring.
- **Emergency Planning:** Protocols and staff training for emergencies.

## 2. Housekeeping Services :

- **Daily Cleaning:** Routine upkeep of spaces.
- **Deep Cleaning:** Intensive cleaning as needed.
- **Waste Management:** Efficient disposal and recycling.

## 3. Facility Management Services :

- **Maintenance:** Routine and emergency repairs.
- **Operations Management:** Oversight of daily functions.
- **Space Management:** Strategic planning for space use.

#### 4. Property Management Services :

- **Tenant Relations:** Managing tenant communications.
- **Lease Administration:** Oversight of agreements and compliance.
- **Financial Management:** Budgeting and reporting.

#### 5. Gardening & Horticulture Services :

- **Landscape Design:** Custom garden plans.
- **Maintenance:** Regular care of gardens.
- **Irrigation:** Installation and upkeep of watering systems.

## 6. Electro-Mechanical Services :

- **Installation:** Setup of machinery and systems.
- **Preventive Maintenance:** Regular servicing.
- **Repairs:** Quick response to issues.

## 7. Inventory Management Services :

- **Audits:** Regular stock assessments.
- **Control Systems:** Automated inventory tracking.
- **Logistics Support:** Coordination of inventory movement.

## CLIENTS AND PARTNERSHIPS :

At Trade Hub, we take pride in our extensive experience with a diverse array of clients across multiple industries, enabling us to build strong, lasting partnerships.

### Diverse Clientele :

We serve both large corporations and emerging companies.

### Notable Partnerships :

We partner with leaders in key sectors.

### Commitment to Quality :

Our reliable service builds trust and focuses on exceptional results.
